This is a tremendous opportunity for a finance and operations leader to maximize and strengthen the internal capacity of a well-respected, high-impact organization and assist in pushing its critical, mission-driven work forward.

Job responsibilities:

Human Resources and Operations:

- Further develop the Alliance’s human resources and administration policies and procedures, enhancing professional development, compensation and benefits, performance evaluation, training, and recruiting.
- Further develop the Alliance’s HR policies related to equity and inclusion in hiring and personnel policies.
- Ensure that recruiting processes are consistent, equity and inclusion forward, culturally competent, and streamlined.
- Establish and manage a comprehensive orientation, onboarding, and ongoing training program to educate employees regarding staff tools, cultural competency, equity, inclusion, and best practices policies and procedures.
- Work closely and transparently with all external partners including third-party vendors and consultants.
- Oversee administrative functions as well as facilities to ensure efficient and consistent operations as the organization scales.

Finance:

- Working closely with the Office Manager/Bookkeeper, prepare, analyze and present financial reports in an accurate and timely manner; clearly communicate monthly and annual financial statements, and oversee all financial project/program and grants accounting.
Work closely with the finance committee and board members on budget and finance-related policies and procedures
Establish and coordinate an inclusive annual budget process that includes the executive director, the three program directors, the office manager/bookkeeper and finance committee
Coordinate and lead the annual audit process, liaise with external auditor and the finance committee of the board, assess any changes necessary
Manage organizational cash flow and forecasting.
Manage the billing process and grant administration for a small number of interagency partnerships for which the Alliance is the lead agency, maintain quality control standards for grant billings
Improve the reporting capability and interface between the Alliance’s current accounting software (QuickBooks) and donor management software (DonorPerfect)
Implement a robust contracts management and financial management/reporting system; ensure that the contract billing and collection schedule is adhered to and that financial data and cash flow are steady and support operational requirements.
Update and implement all necessary business policies and accounting practices; periodically review and propose updates to the written fiscal policy and procedure manual.

Qualifications:
• BA in finance or related field, MA/MBA preferred.
• 7-10 years of overall professional experience, or equivalent combination of work and educational experience. At least 5 years of financial and HR management
• The ideal candidate has experience of final responsibility for the quality and content of all financial data, reporting and audit coordination for either a division or significant program area, and has preferably overseen a human resource function previously.
• A track record in grants management.
• A successful track record in setting priorities; keen analytic, organization and problem-solving skills which support and enable sound decision making.
• Excellent communication and relationship building skills with an ability to prioritize, negotiate, and work with a variety of internal and external stakeholders.
• A multi-tasker with the ability to wear many hats in a fast-paced environment.
• Personal qualities of integrity, credibility, a growth mindset, and dedication to the values and the mission of the Alliance.
• Ability to work with and collaborate effectively with a diverse team of staff and stakeholders.
